1. A military barracks is located in the western outskirts of the town of Brezno nad Hronom (Q 49/D 16) on the north side of the road from Brezno nad Hronom to Podbrezova. The installation extends for about 300 meters along the road and is 350 meters deep.
2. The main entrance to the barracks is from the road, and there is a small guard-room at the gate. The barracks are surrounded by a wire fence. There is a second entrance from the road, on the western side of the barracks, but it is not being used.
3. In the central part of the barracks area, next to the road, there is a small triangle-shaped orchard.
4. In the western part of the barracks area there is a four-story building (No. 5 on the annexed sketch) 30 by 70 meters in size, with a kitchen on the ground floor. Another building of the same size, 30 or 40 meters from the road, is in the eastern part of the camp (also No. 5 on the sketch). A third building of the same size (also No. 5 on the sketch) is located in the approximate middle of the area, and a fourth building (also No. 5 on the sketch) is in the northwestern part.
5. In the northeastern part of the area there are four wooden huts 10 by 30 meters in size, standing in a row.
6. In the northwestern part of the area are the garages, in two brick buildings 20 by 100 meters in size. In the center of the camp is a brick one-story building 20 by 70 meters in size.
7. Near the large four-story building in the eastern part of the area is a smaller one 5 by 10 meters in size (No. 9 on the sketch).
8. A transportation company and another unit which probably is an artillery unit are stationed in the barracks. The total number of troops in the installation is 800.
